Final Portfolio

1. Minimum 1000-word story of us.
2. Minimum 1000-word language essay discussing and showing us why the word you choose is not *just* a label to a thing.
3. Your 1000-word writing for change, whatever change you want in your chosen style.
4. Letter to the next cohort and collaborative research proposal
5. Create a new trail that others can follow introducing your portfolio, synthesis of ideas (reference rhetoric, genre, audience and metaphor), think about language and how we use it and the process we use to write.
